

Willamette Wellness Center

Oregon LGBTQIA2S+ Community Partnership & Referral Directory

Purpose

Willamette Wellness Center (WWC) maintains this directory to support access to affirming, culturally responsive, and appropriate health, behavioral health, social, and community services for LGBTQIA2S+ individuals throughout Oregon.

The organizations below may serve as referral resources, community partners, or collaborative resources for WWC clients. Staff should verify current services, eligibility, availability, and contact information prior to making referrals.

1. Outside In

Population Served:

LGBTQIA2S+ youth and adults, individuals experiencing homelessness, and individuals experiencing barriers to health and social services.

Services:

Primary care, behavioral health services, gender-affirming care, substance use services, housing and social services, and youth-focused programs.

Location:

Portland, Oregon

Website:

<https://outsidein.org/>

2. Q Center
